2023: Carnegie Mellon University (Heinz Informal Lunch Series), Carnegie Mellon Electricity Industry Center, Property and Environment Research Center (PERC), Empirical Methods in Energy Economics Annual Workshop (Yale)

2022: Northeast Workshop on Energy Policy & Environmental Economics (Carnegie Mellon University), AERE Annual Summer Conference (Miami, FL)

2021: AERE Annual Summer Conference (virtual), APPAM Student Research Seminar (virtual), Midwest Energy Fest (virtual), 1st Workshop in Applied Microeconomics of Association for Mentoring & Inclusion in Economics (AMIE) (virtual)

Discussions

2026: AERE@AAEA (Kansas City, MO, scheduled), IAEE@ASSA (Philadelphia, PA)

Grants, Fellowships and Awards

Fulton Research Mini-grant (\$3,000), New Mexico State University, 2026

The Financial Research Institute (FRI) Utility Policy Fellow (offer deferred), 2025

Winner of 41st USAEE Young Professional Research Competition, 2024

PERC Graduate Fellowship, 2023

Carnegie Mellon University Graduate Student Assembly / Provost Conference Funds, 2022

AMIE Mentee, 2021

Attendee, Berkeley/Sloan Summer School in Environmental and Energy Economics, 2019

Teaching

New Mexico State University

ECON 312 Intermediate Microeconomics Theory: Fall 2024 - 2026, Spring 2025 - 2026

ECON 2110G Principles of Macroeconomics: Fall 2024 - 2026, Spring 2026

ECON337V Natural Resource Economics: Spring 2025

Service

Professional Service

Referee: *Journal of Environmental Economics and Management*, *Nature Communications*, *The Electricity Journal*

Conference Paper Review: IAEE@ASSA (2027), USAEE Annual Conference (2026), AERE Summer Conference (2023, 2024)

Co-Chair / Chair, USAEE Young Professional Best Paper Award Competition, 2025 - 2026

University Service

New Mexico State University

College of Business Faculty Council Member, 2025 - present

Undergraduate (UG) Economics (ECON) Faculty Advisor, 2024 - present

UG ECON Program Assessment, 2025

Other

Previous Employment

Research Analyst, Duke University Energy Initiative, 2015 - 2018

Research Intern, Smart Electric Power Alliance, 2015

Energy Research Fellow, Greenpeace, 2014

Other Information

Languages: English (fluent), Mandarin (native), Japanese (beginner)

Personal Information: U.S. Permanent Resident
